Oakville's Rick Hansen Wheels in Motion event will be held downtown on June 11.

Participants are invited to walk, run, wheel or cycle a 5.3-kilometre route starting and finishing at the Burloak Canoe Club on Water Street.

Registration on the day of the event starts at 8:30 a.m., opening ceremonies begin at 9 a.m., and Mayor Ann Mulvale kicks off the event at 9:30 a.m.

Participants will go south on Water Street, east on Robinson Street, south on Navy Street, east on Front Street, north on George Street, east on William Street, north on Allan Street, east on Lakeshore Road, north on Balsam Drive, west on Macdonald Road, south on Douglas Avenue, and west on Randall Street back to the Burloak Canoe Club.

Festivities at the Burloak Canoe Club from 9 a.m. - noon will include Luau and Hula dancing, fire truck demonstrations, an outrig-

ger boat blessing, face painting, boat and paddle raffle, plus food, prizes and surprises.

Proceeds from this event will be used to raise awareness and improve the lives of those living with spinal cord injuries (SCI) and related disabilities.

In 1985, Rick Hansen powered his wheelchair 28,815 miles around the world, a two-year odyssey and raised \$26 million for SCI awareness and research. This led to the formation of the Rick Hansen Foundation and the launch of an annual Rick Hansen Wheels in Motion fundraiser.

The Oakville event is a great opportunity for more participants and individuals to get involved. Contact Ashton at 905-847-3366 or info@jaacevents.com for more information. Stephen Cull, 905-844-4444 or info@charterability.com For information, visit www.wheelsinmotion.org or www.charterability.com.
